

Available on **amazon** October 22

Written by Dr. Bob A. Archuleta, **Christine's Magical Smile** is the first of a series of books about the life and memories of **CHRISTINE**, a child who had a magical smile. Her smile resulted in a beautiful life that inspired those who knew her, but a life all too short.

There are valuable lessons to be learned by the **MAGIC & POWER of a SMILE** and how it allows for someone to live a full and spirited and a happy and accomplished life despite life challenges, setbacks, and disappointments.

ALL proceeds from Christine's Magical Smile will go to Christine's House, LLC and donated to the Noah's Children Hospice & Palliative Care Endowment at Bon Secours Richmond Health System and to the Dr. Christine Archuleta Legacy Fund at VCU Health for use by the Department of Obstetrics & Gynecology to promote residency learning, community engagement, smiling, wellness, and kindness.
