Exciting New Mobile Features:

We are excited to announce that we have/are implementing a couple new mobile/online features to better our patient's experience. Please see below for details.

Mobile Bill Pay- We have recently implemented this thru paymydoctor.com, where the guarantor on listed on the account will get a text saying “**Welcome to Pediatric Associates PC digital billing....**” You can now click the secure hyperlink and it will take you directly to your digital billing account for your family.

- You can set up payment arrangements if needed
- Store your payment type for quick future payments
- View all your statements and be able to print them for end of the year taxes as well as see detailed payment activity.

Mobile Check-In – we just went live with this new feature , patients should receive a text with a link to click to complete the registration process prior to your appointment. Text reads “**Hi (patients name). Click (they hyperlink) to check-in now to save time at your appt with (Provider name) on (appt date)**”

- Less time spent completing paper documents
- Able to update/change demographics for your account
- Change/Update patients insurance information

Online Annual Wellness Scheduling- This feature is coming soon , this will allow you to schedule your child's Annual Visits or Newborn Wellness visits via our website.
